

20TH ANNUAL GOLF OUTING

MONDAY, OCTOBER 2, 2017

In honor of our 20th year of contributing funds raised from our golf outing to the community, The Prospect/Goshen Rotary Club has partnered with the **North Oldham Athletic Boosters** for this year's golf outing. Due to heavy usage of the athletic facilities, the athletic department needs help to maintain the elite status for the safety and performance of all athletes. Please consider sponsoring our tournament or participating as a golfer. Funds raised from this event will be used to fund Rotary Foundation projects in our community including the enhancement of the North Oldham athletic facilities to allow our student-athletes to compete at the highest levels both inside and outside of the classroom.
